# ICCAT eBCD System Walkthrough

Atlantic HMS Advisory Panel  
September 2015

# eBCD System

## eBCD

Electronic Bluefin tuna catch document

### Welcome

Welcome to the eBCD web for the management of the electronic Bluefin Tuna Catch Documents and the Re-export Certificates. This system seeks an "in real time" traceability of bluefin tuna caught in ICCAT Convention waters from catch to marketing, streamlining bureaucratic procedures in documents' validation.

Enter your user name and password.

# Setting Up a User Account

The screenshot displays a web application interface for user management. At the top, a blue navigation bar contains links for Home, BCD and BFTRC Registry, Users Registration, Reports, Registry, JFO, and Help. Below this, a breadcrumb trail shows 'Users Registration' > 'Users Management'. The main content area is titled 'Users Management' and includes a link to 'Return to the search results'. The user details are organized into two sections: 'Account' and 'User Data'. The 'Account' section shows the 'User Name' as 'JCREVALLE' with a 'Reset password' button, and the 'Status' as 'Active' with a 'Block' button. The 'User Data' section contains various fields: 'Name' (Jack), 'Surnames' (Crevalle), 'Title' (Mr), 'Job Title' (Operator), 'Language' (English), 'City' (Kingston), 'Address' (123 Amberjack Lane), 'Postal Code' (02582), 'Phone' (two empty fields), 'Fax' (two empty fields), and 'E-mail' (jack@gmail.com).

This system walkthrough uses a test account for User "Jack Crevalle," an operator at "ABC Fish Company," a bluefin tuna importer/exporter

# Selecting and Adding Role(s) and Associated Companies to User Profile

**► Add Roles**

Access eBCD system as:

CPC:

Company

*Search*

Name

National registration No.

Valid until  Time GMT

# After Selection, Assigned Roles are added to User Profile

The screenshot displays a user profile management interface. It features two main sections: 'Add Roles' and 'Assigned Roles'. The 'Add Roles' section includes a dropdown menu labeled 'Access eBCD system as:'. The 'Assigned Roles' section contains a table with the following data:

Name company	Role	Flag	Valid until		
ABC FISH COMPANY	Exporter WBFT	U.S.A.			
ABC FISH COMPANY	Importer WBFT	U.S.A.			

Below the table is a 'Save' button.

# Creation of New eBCD

The screenshot displays the eBCD web application interface. At the top left, the logo reads "eBCD" with a fish icon and the subtitle "Electronic Bluefin tuna catch document". To the right, there is a "See new developments" button and language selection icons for Spanish, French, and English. A user profile for "Jack Crevalle" is visible with a "Logout" link.

The main navigation bar includes "Home", "BCD and BFTRC Registry", "Users Registration", and "Help". The "BCD and BFTRC Registry" menu is expanded, showing options for "New BCD", "Search BCD", "New BFTRC", and "Search BFTRC".

Below the navigation, a section titled "Below you will find links to the most usual operations." contains several large, stylized buttons with icons and labels: "Search BCD", "Register new catch", "Register new Transshipment in port", and partially visible "New BCD" and "Search BCD".

The URL at the bottom of the browser window is <https://cpc.etuna.iccat.int/Pages/BCDManagement.aspx?s=1>.

# Creation of New eBCD

## First piece of information: Harvest Date

The screenshot displays the eBCD (Electronic Bluefin tuna catch document) web application. The header includes the eBCD logo with a fish icon, the text "Electronic Bluefin tuna catch document", a "See new developments" button, and language selection icons for Spanish, French, and English. A user profile for "Jack Crevalle" is visible with a "Logout" option. The main navigation bar contains "Home", "BCD and BFTRC Registry", "Users Registration", and "Help". The breadcrumb trail shows "Home > BCD and BFTRC Registry". The "Catch Information" section is active, featuring a "Date" input field. A calendar dropdown is open, showing "August, 2015" with the date "13" selected. The footer includes the NOAA logo, the text "NOAA FISHERIES", and the ICCAT logo. The page also contains text for "ICCAT | International Commission for the Conservation of Atlantic Tunas - Contact".

# Next Section: Vessel Information using the search function

The screenshot displays a web application interface with a blue navigation bar at the top containing links for Home, BCD and BFTRC Registry, Users Registration, and Help. Below the navigation bar, a breadcrumb trail shows a home icon followed by 'BCD and BFTRC Registry'. The main content area is divided into three sections, each with a right-pointing arrow icon:

- Catch Information:** Includes a 'Date' field with '8/13/2015' and '1:09 PM', and a 'Stock' dropdown menu currently set to 'West Bluefin Tuna'.
- Vessel Information:** Includes a 'Flag' dropdown menu set to 'USA - U.S.A.', a 'Search' text input field containing 'National Registration Number / Name', and a 'Catch' field with two empty input boxes and a 'Kg' dropdown menu.
- Catch Description:** This section is currently collapsed.

# This is the message that appears when the user saves the catch section

Now that the eBCD is saved you can see the document number as well as the option to skip validation. Since these are tagged fish they are exempt from validation.

The screenshot displays the NOAA Fisheries BCD and BFTRC Registry interface. At the top, a blue navigation bar contains links for Home, BCD and BFTRC Registry, Users Registration, and Help. Below this, a breadcrumb trail shows the current location: BCD and BFTRC Registry. The main content area features a list of records, with the selected record 'US15900001' (dated 8/13/2015) highlighted in blue. A detailed view of this record is shown below, including a green information box that states: 'This BCD meets the necessary criteria to consider the section EXEMPTED of validation. If you decide to send to validate the section, this exemption will be lost and the following sections must also be validated.' The record details are organized into sections: 'Catch Information' with fields for Date (8/13/2015), Time GMT (6:09 PM), and Stock (West Bluefin Tuna); and 'Vessel Information' with a Flag (USA - U.S.A.) and a Search field containing the value 10060799.

If a user inadvertently clicks "send for validation" they will have to wait until the government authority clears it.

# Option to print out the Catch Section just completed

# Initiating Trade Section: Click on symbol next to document number

The screenshot displays the eBCD (Electronic Bluefin tuna catch document) web interface. At the top, the eBCD logo and a fish icon are visible, along with a 'See new developments' button and flags for Spain, France, and the UK. The user 'Jack Crevalle' is logged in, with a 'Logout' option. The main navigation bar includes 'Home', 'BCD and BFTRC Registry', 'Users Registration', and 'Help'. The 'BCD and BFTRC Registry' section is active, showing a list of documents. The document 'US15900001' (dated 8/13/2015) is highlighted, and a red arrow points to a small circular icon next to it. A 'New' dialog box is open, allowing the user to select between 'Transshipment in port' and 'Trade' (which is selected). An 'Add' button is at the bottom of the dialog. Below the dialog, a green message box states: 'Criteria to consider the section EXEMPTED of... validate the section, this exemption will be lost and the following sections must also be validated.' The 'Catch Information' section at the bottom shows the date '8/13/2015' at '6:09 PM' GMT and the stock as 'West Bluefin Tuna'.

# First piece of information: Trade Date

The screenshot displays the eBCD (Electronic Bluefin tuna catch document) web application. At the top, the logo features a fish and the text "eBCD Electronic Bluefin tuna catch document". A navigation bar includes "Home", "BCD and BFTRC Registry", "Users Registration", and "Help". A user profile for "Jack Crevalle" is visible with a "Logout" option. A list of catch documents is shown, with one entry highlighted: "US15900001" with a trade date of "8/13/2015". Below the list, a "Trade Information" section contains a "Date" field with two input boxes. The footer includes the NOAA logo and the text "ICCAT | International Commission for the Conservation of Atlantic Tunas - Contact".
