Membership of NOAA-Related U.S. Senate and House of Representatives Committees and Subcommittees

115th Congress: 2017-2018

The following is a list of the Members who have been officially confirmed by a vote of the Senate or House (as of February 28, 2017) to be a Member on a NOAA-related, congressional committee and subcommittee that has primary oversight over our budget, mission, programs, and activities. Additional announcements related to positions within the committees are also noted (as of February 28, 2017). When more assignments are formalized, an updated list will be distributed, or you may visit House.gov and Senate.gov. Please note that some committee assignments may not be formalized until February or March.

The Members highlighted in yellow are new to the committee. The Members with the word **NEW** after their name are new to Congress, are former Members who have been elected again, or hold a new office in Congress, such as Members of the House who won Senate seats in the November 2016 election.
