RE: **Withdraw of G&G Permit LOA Application**  
Lease OCS-G 36191, East Breaks Block 699  
Well No. 001 (API No. 60-804-40277-00)

Ms. Harrison:

On November 30, 2022, Woodside Energy (Deepwater) Inc. (Woodside) received an approved Letter of Authorization (LOA) for the potential take of marine mammal's incidental to conducting Wellbore Seismic Acquisition Operations (Zero Offset Seismic Profile) at Lease OCS-G 36191, East Breaks Block 699, Well No. 002 (EB 699 #001).

Woodside has since elected not to conduct the Zero Offset Seismic Profile on the EB 699 #001 well; therefore, no action occurred under this LOA. This letter of withdraw notification is being submitted in lieu of the marine mammal monitoring report that is required under the issued LOA.
