RE: Request to extend the End Date of CGG's LOA Walker Ridge and Green Canyon Protraction Areas issues

Attention: Ben Laws

Dear Mr. Laws,

CGG is requesting an extension of the end date for the Letter of Authorization issued 21 March 2023 for the Green Canyon and Walker Ridge protraction areas. This LOA is valid from 1 May 2023 through 31 December 2023. CGG requests the end date be extended to match that of the BOEM issued permit, L22-027, end date of 7 April 2024. CGG is requesting this end date as it is believed that another OBN survey will be acquiring in the area and CGG will delay its start date until November as to not interfere.

CGG confirms the following:

- The planned acquisition has not yet begun
- There are no changes to the proposed work plan
