RE: Request to Extend End Date of CGG's LOA Over Walker Ridge and Green Canyon and Protraction Areas

Attention: Ben Laws

Dear Mr. Laws,

CGG respectfully requests an extension of the end date for the Letter of Authorization issued October 10, 2023 for the Green Canyon and Walker Ridge protraction areas. This LOA is valid from October 10, 2023 through April 7, 2023. CGG requests the end date be extended to match that of the BOEM issued permit, L23-025, end date of October 17, 2024. CGG is requesting this end date as another OBN survey is currently acquiring in the area and CGG must delay its start date until December, as to not interfere.

CGG confirms the following:

- The planned acquisition has not yet begun
- There are no changes to the proposed work plan
