RE: ***Withdrawal of G&G Permit LOA Application***
Wellbore Seismic Acquisition (Vertical Seismic Profile)
Lease OCS-G 36676, Atwater Valley Block 138
Well No. 002ST01 (API No. 60-818-40080-01)

Ms. Harrison:

On October 19, 2023, Murphy Exploration & Production Company – USA (Murphy) received an approved Letter of Authorization (LOA) for the potential take of marine mammal's incidental to conducting Wellbore Seismic Acquisition Operations (Vertical Seismic Profile) at Lease OCS-G 36676, Atwater Valley (AT) Block 138, Well No. 002 ST01 (AT 138 002ST01).

Murphy has since elected not to conduct the Vertical Seismic Profile on the AT 138 002ST01 well; therefore, no action occurred under this LOA. This letter of withdrawal notification is being submitted in lieu of the marine mammal monitoring report that is required under the issued LOA.
