**Amendment West 2 LOA modification**

On March 17<sup>th</sup>, NMFS issued the LOA for Amendment West 2. TGS Business Unit changed the source acquisition polygon after TGS received the LOA. The new source area is 12,225Km<sup>2</sup>

The source configuration remains the same with the same type of source and using the same source firing sequence.

Below is a map that shows the source area as per original LOA (cyan) and the proposed new source area (green).
