REF: Modification of LOA granted for permit# L25-004

An LOA was granted by NMFS to WesternGeco for the Engagement-8 project, which operates under permit# L25-004, and which expires on December 31st 2025. Since receiving the permit and LOA our area of interest has shifted westwards which has resulted in the need to modify both. Please accept this letter as a formal request for a modification to the LOA. With the new area the breakdown of the number of days for each zone is as follows: zone 5 = 31 days, zone 6 = 12 days, and zone 7 = 57 days.

Please let me know if any other information or any other actions are required on my part.

Sincerely

Stephen Bernard
