REF: Request to extend the expiration date to WesternGeco's LOA for Engagement-8

Dear Mr. Laws,

WesternGeco is requesting an extension to the expiration date for the Letter of Authorization issued on 7th March, 2025 for G&G permit number L25-004.
The survey started later than was originally planned, i.e. May/June instead of March, mainly because of vessel scheduling and availability.
The original LOA is due to expire on 31st December, 2025. At this time WesternGeco request that the expiration of the LOA be modified to 28th February, 2026.

Your assistance in this matter is greatly appreciated. Please contact the undersigned if any other information or any other actions are required on our part.

Sincerely

Stephen Bernard
