Paperwork Reduction Act Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0575. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are required to obtain benefits. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Assistant Regional Administrator, Sustainable Fisheries Division, NMFS Alaska Region, P.O. Box 21668, Juneau, AK 99802-1668.

Privacy Act Statement

Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801, *et seq.*, and the Northern Pacific Halibut Act of 1982, 16 U.S.C. 773c.

Purpose: NMFS is collecting this information to manage the Charter Halibut Limited Access Program and the Individual Fishing Quota Program.

Routine Uses: NMFS will use this information to account for GAF landings. Responses to this information request are confidential under section 402(b) of the Magnuson-Stevens Act. They are also confidential under NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) to be shared among authorized staff for work-related purposes. Disclosure of this information is also subject to the published routine uses identified in the Privacy Act System of Records Notice [COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries](#).

Disclosure: Furnishing this information is required to obtain or retain benefits. Failure to provide complete and accurate information may delay or prevent the reporting of GAF harvests in accordance with regulations.
